- About us: Southern Utah Chinese Christian Fellowship (SUCCF)

We are a group of Chinese Christians living in Southern Utah. Some of us came here for work, some for school, and others relocated with our families. No matter the reason, we share a common desire: to connect in Chinese, grow in our faith, and build one another up in Christ.

In recent years, the Chinese community in this area has grown significantly, and with it, the number of Christians has increased as well. In the summer of 2025, driven by a shared spiritual need, more than a dozen believers began gathering together to study the Bible and pray as a fellowship.

Since then, we have hosted Thanksgiving gatherings and special Lunar New Year events, each drawing nearly a hundred attendees.

Our vision is to establish a Chinese Christian church in Southern Utah — a spiritual home that serves the local Chinese community and warmly welcomes Chinese students who come here to study.

Our Ministries

--1. Chinese Student Club – SUCSC

We serve local Chinese college students through the Southern Utah Chinese Student Club (SUCSC) in Cedar City. Every Friday from 6–8 PM, we gather with students to share life, discuss faith, and care for one another. We walk alongside students as they navigate academic challenges, career plans, and daily life in a new country. Students from Utah Tech and others interested in Chinese language and culture are always welcome.

--2. Community & Cultural Connections

Southern Utah is home to 15 schools (1 in Cedar City and 14 in St. George/Washington County) that offer Chinese Dual Language Immersion (DLI) programs. Approximately 22–26 dedicated Chinese immersion teachers live and work in our community, building families and investing in students. We desire to connect with them through shared faith and cultural heritage. Additionally, many local families have children learning Chinese and are curious about Chinese traditions. We also serve restaurant workers, university staff, and professionals from various fields — building friendships and offering support.

--3. Children's Program (Saturday)

Every Saturday, we offer a bilingual children's program where kids learn Chinese and Bible stories in a fun, loving environment. Our teachers are professional educators from local Chinese immersion programs and are also devoted Christians. Children make new friends, grow in character, and explore faith in both English and Chinese.
